HAPPY PEOPLE (Siân Pottok/ Alvie Guylene)

How sweet it is to remind my
That the birds still sing at dawn
Even when the skies are heavy
The sun is always around

How sweet it is to remind me
That through the rain
Light always shines
Same shadows never follow you
Each day a new path unfolds

But what about
Happy people
Living lives tucked away
Happy people
(Batu ya esengo)
Look at all those
Happy people
Chasing dreams every day
Happy People
(Batu ya esengo)

How sweet it is to be with you
Leave all postcard behind
Yesterday's a fading echo
Oh today's what's on my mind

But what about
Happy people
Living lives tucked away
Happy people
(Batu ya esengo)
Look at all those
Happy people
Chasing dreams every day
Happy People
(Batu ya esengo)
Happy people
How do they cope with the race
Happy People
(Batu ya esengo)
