10. Put a Mask

Music : Siân Pottok
Lyrics : Siân Pottok

Put a mask on, they say
Don't put your feelings on display
Put a mask on, obey
Just wear your most beautiful face

With a mask on, you'll see
Life will be so much more pleasing…
Be a good girl, find a way
to take it all in with dismay

But I want to break free
Free in my head, soul, and body
Oh,I want to break free
Free in my head, my soul, and my body
Free in my head, my soul, and my body
